

# Become a Volunteer Citizen Advocate

The role is an exciting opportunity for people who have a passion for promoting equality, have a belief that all people have a right to lead the life they choose and to fulfil their potential.

Good listening skills, a non-judgemental attitude and a willingness to support others to speak for themselves are required.

Taking Part is a registered charity working throughout Shropshire and Telford and Wrekin.

We are looking for new volunteers to become Citizen Advocates; to support and speak up for people with health and social care needs, particularly people with learning disabilities, who find it hard to get their voices heard across Shropshire.

The role is a longer term one, hours are flexible and can be from a couple of hours a month. Full training and support is provided.

If you interested in becoming a Citizen Advocate or would like to know more;- please contact us;
