

Who is a Citizen Advocate?

A Citizen Advocate is a volunteer who can help you to speak up.

A Citizen Advocate is an adult, who will listen to you.

They receive training from Taking Part.

They may also go on other training courses.

They are independent of services like :-

- Local Health Authority
- Social Services
- Support Service providers
- Education Services
- Day Service Opportunities

They can help people to be heard by others and express their individual wishes, views, needs and preferences.
